

Point Credit Summary (PCARS)

A Quick Guide from HQ RIO

How to check your PCARS for points earned/satisfactory year of service (also known as your Retention/Retirement [R/R] or “good year”).

Service members are required to review their **PCARS** annually and plan FY requirements (AT and IDTs) for the following year to ensure minimum participation is met in accordance with DAFMAN 36-2136. This guide is designed to quickly walk members through step-by-step instructions for accessing and reviewing PCARS.

1. Navigate and log in to [Okta](#) or to the [AFPortal](#)
2. Locate [vMPF](#) via Okta Apps or click the Career & Training tab, then Career & Training Links in the AF Portal, scroll down to the Okta Applications section and select **vMPF**.

All Points Earned: This is where you can see every instance of when points were earned. You should compare this with your orders and 40As for accuracy regularly.

Each Anniversary (R/R) Year can be expanded (use the plus sign) to view each entry for points earned. It will show the dates of duty performed, the Type Duty (Paid Inactive Duty, Points-only Inactive Duty, Annual Tour, Special Tour), and Points earned for that period of duty.

1. AD: Includes Annual Tour Orders and any ADOS Order (MPA or RPA, or an RPA school tour)
2. IDT: All IDTs performed either for pay and points or points-only
3. ADL: Points earned for formal courses completed
4. MBR: Membership points awarded upon the completion of each Anniversary (R/R) Year
5. Total: Toal points earned for the Anniversary (R/R) year
6. Retire: Retirement points earned for the Anniversary (R/R) Year. NOTE: may be different from the Total Points.
7. Sat Svc: Denotes the achievement of one Satisfactory year of Service.
