1. INTRODUCTION:

Per the Joint Travel Regulation (JTR), the Secretary of the Air Force may authorize reimbursement of IDT Travel for members of the Selected Reserve (SelRes) requiring them to commute 150 or more miles one way for duty at assigned Permanent Duty Station (PDS) when assigned to an identified critical Duty Air Force Specialty Codes (DAFSC), grade or manned unit. This also applies to units impacted by Base Realignment and Closure (BRAC) actions. **Per the JTR, IDT Travel Reimbursement is an ALLOWANCE vice incentive and targeted toward AFSCs and locations that are identified critically. The IDT eligibility list is subject to change.**

All AFR Airmen with a grade of E1-E7, traveling 150 miles one way to PDS are eligible for IDT Travel Reimbursement. Airmen in the grade of E8-E9 as well as officers are eligible by an established, by- location, DAFSC eligibility list.

The following provisions apply:

- The period of program eligibility for FY26 starts 1 October 2025 and expires 30 September 2026, with an approved extension to 31 December 2026. Eligible reimbursement of up to **\$750**.
- IDT Travel Reimbursement may be granted to eligible members who perform Unit Training Assemblies (UTAs), Readiness Management Periods (RMPs) and Additional Flying Training Periods (AFTPs), Additional Ground Training Periods (AGTP), Additional Training Periods (ATP), Inactive Duty Training Periods (IDT), DAFMAN 36-2136, Ch 4.
- All eligible must possess an authorization (position number) with a DAFSC identified as eligible in this guide, to include wing of assignment if identified as by-location and meet all other JTR and AFR eligibility criteria. This includes members assigned to Geographically Separated Units (GSUs) assigned/attached to eligible wings identified in this guide.
- **The AFR IDT Travel Reimbursement program is subject to review and change based on AFR mission requirements, budget forecasts, and program execution.**

Judge Advocates authorized travel entitlements for IDTs. This permanent ETP authorizes OSTC IMAs, JAI IMAs & Military Judges to perform IDTs away from home station while maintaining their standard IDT travel reimbursement benefit. AFRC/CC approved PERMANENT WAIVER to authorize reimbursement for "Other than Home Station" CONUS travel for 51J DAFSC (reserve judges) whenever DAFSC is approved for the FY IDT travel reimbursement program.

6. TRAVEL REIMBURSEMENT INFORMATION

- To avoid over obligating unit RPA funds, members should not create travel authorizations in DTS beyond the current fiscal year quarter. If the member does not travel, the obligated funds for the travel authorization created will not be executed, eliminating the ability for these funds to be used for other unit/wing programs. It is the unit's responsibility to monitor authorization and voucher processing for program accountability.
- IDT Travel Reimbursement is limited to **12 round trips** per FY for IMAs (24 & 48) and **12 round trips** per FY for TRs and reimbursement payments will **not exceed \$750 per round trip**.
- Mileage reimbursement will be paid according to the "Other Mileage" rate identified by the Defense Travel Management Office.

9. FREQUENTLY ASKED QUESTIONS

Q1: Who approved of the IDT Travel Reimbursement program?

A1: It was approved by Congress as part of the FY08 NDAA, specifically Public Law 110-181.

Q2: What is the reference which supports travel reimbursement for IDT outside normal commute?

A2: JTR, paragraph 032304 and section 452 (b) (9) of Title 37 United States Code (U.S.C.) Effective date of this entitlement for Air Force Reserve personnel is 14 Aug 08

Q3: Who is eligible for this reimbursement?

A3: All E1-E7 (by member current grade) are eligible for this program. Airmen in the grade of E8-E9 as well as officers by critical DAFSC. This includes members assigned to GSUs assigned/attached to eligible wings identified in this guide.

Q4: Does IDT travel reimbursement eligibility apply to points only IDTs?

A4: Yes, if the member is eligible for IDT travel reimbursement and they travel to the IDT location, they would be authorized for reimbursement for their travel even if they are receiving a points only IDT.

No, if the member elects to receive benefits in lieu of pay and allowances via DAF Form 1962 they are not eligible for IDT travel reimbursement.

Q5: If an eligible member is on long-term orders and travels to IDT, is the member authorized IDT travel reimbursement?

A5: No, as they are not in IDT status. AFMAN 36-2136 para 4.3 states: Reservists assigned to the Selected Reserve and in an Active Duty for Operational Support status are considered constructively present for scheduled training, regardless of whether they are physically present or not.

Q6: Does IDT travel reimbursement eligibility apply to Developmental & Training Flight (D&TF) and/or 1-skill level members?

A6: Yes, all E1-E7 (by member current grade) are eligible for this program, regardless of skill level; however, please note these members often do not have a Government Travel Card (GTC).

Q7: If a prefix or shred is listed, does that mean the core DAFSC still qualifies?

A7: No, the core five-digit DAFSC (example: 3P0X1 or 4N0X1) would not qualify. The Career Field Manager/MAJCOM Functional Manager (CFM/MFM) has identified a specific skill set within the AFSC to incentivize (example X4N0X1).

Q8: If only the DAFSC is listed, does that mean the prefix or shred would still qualify?

A8: Yes, if it's only listed as the DAFSC in the guide, then the prefix and shred would qualify as well. *As stated in question 8, if only the prefix or shred are listed in the guide, then the DAFSC alone would not qualify. (example X4N0X1).*

Q9: Are local commute policy letters required from installation commanders?

A9: No, mileage for IDT travel reimbursement eligibility is determined by Defense Table of Official Distance (DTOD). Members must live outside 150+ miles from their home station according to DTOD and meet all other program eligibility criteria to receive IDT travel reimbursement.

Q10: Are members authorized reimbursement for a rental car?

A10: Yes, per JTR, rental car costs may be reimbursed for days used to travel to and from IDT. However, reimbursement is not authorized for in-place IDT days. For instance, a member can rent a car and drive to IDT on a Friday, perform UTA on Saturday- Sunday and then drive home Sunday. In this case, the members could be reimbursed for the rental car on Friday and Sunday but not Saturday.

EX: The member picks the car up at 10am on Friday but turn it in on Sunday at 12 noon, if the rental car company charges a member for 2hrs...then they are reimbursed for Friday and the 2hrs on Sunday.

Q11: If a member is promoted from E7 to E8, are they eligible?

A11: Members maintain eligibility if their DAFSC in the new grade is on the current FY critical skills eligibility list. If the DAFSC as an E8 is not listed, they are no longer eligible.

Q12: If an E8 is eligible based on their DAFSC and then they are promoted to E9 and their new DAFSC is not listed; do they maintain eligibility?

A12: If a member is promoted into a new DAFSC that is not listed on the critical skills eligibility list, then they are not eligible for IDT travel reimbursement per this guide. For example, member is E8 in DAFSC 4N091, then promotes to E9 into DAFSC 4N000, the members are no longer eligible for the IDT travel reimbursement program.
