Component (AC) TDY Guide

JANUARY 2024
USAFE-AFAFRICA/CGCR
Bldg 201, Room A418

Welcome to USAFE-AFAFRICA! We are glad you are here. You are among hundreds of Air Reserve Component (ARC) Airmen living abroad. OCONUS volunteer TDY assignments provide unique opportunities for ANG/Reserve members. Whether you are here on a short or long TDY, being away from your loved ones can be difficult. Making time for your own well-being and development is critical while you carry out your mission. The ANG/Reserve Advisor's Team is here to help you with any concerns that you might have while on assignment here in theater, to include pay, entitlements, lodging, or any other integration issues.

Getting set up for success is an important step, whether you're new to the military or a seasoned veteran. This guide offers you all the information and tools you will need to know when you arrive.

On behalf of the CGCR Team, congratulations on your assignment and *Welcome!*

Please send any comments, suggestions, or concerns to CG/CR DSN 314-480-7542 or usafecgcr.cgcrangreserveadvisors@us.af.mil.

To receive the most up to date COVID-19 guidance, please refer to the Ramstein COVID-19 page at <https://www.ramstein.af.mil/COVID-19/>

Prior to accepting a TDY to U-A, ARC members are strongly recommended to review the JTR to ensure complete understanding, compliance, and use of these benefits.

The JTR is revised monthly and should be reviewed routinely to ensure the most current policy is being applied to the situation.

<p>SOFA is defined as a treaty that sets out the terms under which the members of the force and the civilian component of a foreign NATO-member state are allowed to operate in another NATO state. The SOFA certificate identified the bearer as a person who is entitled to unrestricted entry/exit from Germany and to benefits, privileges, and protection under the NATO SOFA and the German supplementary Agreement. Benefits include exemption from registration requirements with the Germany authorities, paying German income tax, the ability to purchase certain goods tax-free, to include vehicles. It's the service member's responsibility to obey German laws, carry military ID card 24/7, and if applicable, registering vehicles with USAREUR and having SOFA certificate in dependent passports to validate residence in Germany. If caught without SOFA status, violators could face fines and/or deportation.</p>	
<p>SOFA stamps are required for DoD civilians, DoD sponsored contractors & family members, and military dependents accompanying service members. Local nationals (German) or foreign employees from countries that are not members of NATO are not entitled to SOFA status. Citizens or nationals traveling on passports from a country that requires a visa for Germany must obtain a SOFA certificate from the Regional Director, IMCOM Europe G-1, prior to arrival in Germany. American citizens and foreign nationals from countries not requiring a visa for Germany may enter without a SOFA certificate if unable to obtain one prior to departure.</p>	
<p>Practice the Rule of Three! Eligible individuals should always carry a valid and unexpired DoD ID card, passport(s), and SOFA certificate when traveling.</p>

Waivers (Sanctuary/1825)

Sanctuary: ARC members who attain 18 (but less than 20) years of AD must be retained on AD unless they: voluntarily separated; are medically disqualified for continued service; or are separated/discharged for cause (DAFI36-2110, 17.3).

Official Passports (See page 12 for [personal passport information](#))

- Military personnel on *official business* require only a Military ID card, travel orders, and NATO orders to enter Germany.

Benefits & Entitlements

It is critical to understand the following because it affects your benefits & entitlements:

- How long is your TDY?
- Is there a possibility of extending the TDY?
- Will an extension change the length of your tour to more than 180 days?

NOTE: A TDY at one location may not exceed 180 consecutive days except when authorized by the SAF/MRM (JTR, Table 1-6).

Lodging: Ramstein AB normally has adequate government quarters and DFACs available for three meals. Travel order preparation/approving officials should direct the use of government lodging (JTR, Table 2-14) and the government meal rate (GMR) on all travel orders (JTR, Table 2-17). See [Attachment 1](#) for U-A guidance.

- Lodging is secured by using the GTC
- Non-Availability (Non-A): Before placing an official traveler in commercial lodging or issuing a Non-A, lodging assigns guests to available room types that meet or exceed the minimum adequacy standards (AFMAN34-135).

NOTE: Minor dependents are *not* allowed in Ramstein TDY lodging facilities, except for TLFs.

Meals: Per Diem reimbursement cannot be limited to the Government quarters rate if the installation to which a service member has been assigned TDY does not have Government quarters, even if a nearby installation does have Government quarters (JTR 020303, Para. D.).

- Lodged on Ramstein AB (a/o Apr 2022):
 - Refer to the [DTMO-GMR/M&IE](#) site for current rates on GMR and Meal rate & Incidental Expense (M&IE)

 - Members being paid Basic Allowance for Subsistence (BAS) (meant to offset costs for meals) must pay for all meals/rations received from a government mess or provided on behalf of the government (except when a patient in a hospital).  - Refer to the [DFAS Basic Allowance for Subsistence \(BAS\)](#) site for current BAS rates
 - When unforeseen mission requirements cause TDY members to miss a meal at the DFAC, the responsible Commander/Director should document and approve the missed meal(s) using AF2282, *Statement of Adverse Effect – Use of Government Facilities* ([Link to AF2282](#)). This increases the member's per diem from the GMR to proportional meal rate (PMR) or full per diem rate for that day.
 - Lodged off Ramstein AB 30 days or less (hotel, government lodging at Vogelweh, Landstuhl, etc. but not Ramstein AB proper):

- Members are authorized to take leave while on TDY orders; however, orders *will not* be extended in order to take leave.
- Leave is taken within the constraints of operational requirements. Members are encouraged to use their leave prior to the end of their tour if military requirements permit (AFI36-2619, 1.3.5.1)
- General Leave Rules (AFI36-3003, *Military Leave Program*):

Administrative Functions

Manpower MPA Man-Day Management System (M4S) Tasking: M4S Tasking: All members must have an M4S tasking to begin the orders process in AROWS. See [Attachment 6](#) for the M4S & Orders Flowchart & see Attachment 7 for the Exception to Policy (ETP) for Use of DTS Outside of AROWS-R.

Contingency, Exercise, and Deployment (CED) Orders: IAW USAFE Reporting Instructions (November 2019), personnel traveling to the USEUCOM AOR in support of named operations and exercise execution must travel via CED orders. Personnel should *not* travel in support of named operations/exercises solely on DTS orders. A DTS authorization will be created using the CED order and is required for travel entitlement payments (partial payments and final voucher completion). CED orders must state “Variations Authorized”. **Unit CSS/Orders Clerk should check with the USAFE-AFAFRICA M4S FAMM to ensure correct order type is issued.**

Units should also review the Foreign Clearance Guide for country specific reporting requirements.

AROWS Orders: All ARC members will be placed on Title 10 (10 U.S.C) status prior to performing official duty OCONUS. For ANG, Title 10 status ensures members are protected by applicable Status of Forces Agreement (SOFA) between the USA and host nation (ANGI16-101, 2.1).

AGR Orders (ANG ONLY): AGR members called/ordered to Title 10 (CONUS/OCONUS) supporting AD requirements for operations/missions/exercises/training (Title 10 12301(d), 12302, 12304, or 10147) will not be terminated from their Title 32 orders. (ANGI36-101, 7.8.1)

NOTE: ANG AGR Airmen performing an ADOS/MPA tour for 180 days or less will NOT be required to have their orders curtailed. AGR Airmen performing an ADOS/MPA tour for 181 days or greater will need to have their orders curtailed to utilize PCS funds.

- Any AGR Airmen who choose to apply for an ADOS/MPA developmental opportunity, with TAG concurrence, *may* be authorized restoration of the AGR member to their previously held AGR position, or a position for which the Airman is fully qualified for upon completion of an ADOS tour. The TAG is not obligated to extend restoration to AGR members seeking ADOS opportunities under any circumstances. Restoration to an AGR position is based on the mission needs and in the best interest of the ANG, and as a means to offer development opportunities for Airmen on a case-by-case basis.
- UMD positions vacated by an incumbent AGR for 181 days or greater for the purposes of performing an ADOS tour may be backfilled utilizing an occasional tour AGR for the duration of the absence of the incumbent AGR.

Tour Curtailment: Airman may request curtailment of orders; however, approval is based on the needs of the AD Commander and supported mission. The notification requirement *does not apply* if the Commander determines an Airman is no longer fit to perform duties.

Miscellaneous Information

Dependents (Unaccompanied): Dependents should not be on U-A TDY orders as they are Unaccompanied Tours; dependent travel to/from Germany will be at the member's expense.

- Once the AROWS TDY orders are official:

- If renting a vehicle at your own expense, or if authorized on orders, most stateside insurance companies do not cover Europe, especially when renting 28 days or greater. It is recommended to purchase the rental agency's insurance coverage or use the German railways. Research car insurance prior to arrival.

Driver's License: Military members are required to have a US Army Europe (USAREUR) Driver's License and valid stateside driver's license to drive in Germany for TDYs greater than 45 days. Regardless of the length of the TDY, it is recommended to review the handbook.

- The handbook can be found at: [Learning to Drive in Europe](#) (click USAREUR Driver's Manual & Practice Test for Germany)
- Visit the [Joint Knowledge Online \(JKO\)-Non-CAC](#) or [Joint Knowledge Online \(JKO\)-CAC](#) (click course catalog, Dropdown Course Prefix: USA, Course number: #007 and #007-B). Print the certificates when complete. Test scores are valid for 60 days and will be turned in upon your in-processing. Please refer to [Driving in Germany Site](#) for more information.

Attachment 1: TDY Entitlements Policy Clarification Memo

MEMORANDUM FOR ADDRESS #6 – DIRECTORATES AND COMPARABLE STAFF OFFICES

FROM: USAFE-AFAFRICA/CV
Unit 3281
APO AE 09094-3281

SUBJECT: Temporary Duty (TDY) Entitlement Policy Clarification

1. This memo clarifies per diem entitlement policy for military and civilian personnel performing temporary duty at Ramstein AB, Germany in support of USAFE-AFAFRICA. The TDY entitlements outlined below apply when USAFE-AFAFRICA is the travel approving authority. In situations where there are no USAFE-AFAFRICA reporting instructions, these entitlements are recommended to ensure equity.
2. Travelers will maximize use of available government lodging, dining facilities (DFACs), and U-drive vehicles. These actions ensure good stewardship of TDY funds, leverage existing government assets, and allow our command to reinvest savings in higher priority mission requirements. Travel order preparation/approving officials should direct the use of government lodging and the government meal rate (GMR) on all travel orders since Ramstein AB has adequate government quarters and DFACs are available for three meals.
3. There may be instances when unforeseen mission requirements cause a TDY member to miss a meal at the DFAC. When this occurs, the responsible Commander or Director should document and approve the missed meal(s) using DD Form 2282, Statement of Adverse Effect – Use of Government Facilities. This increases the member's per diem from the GMR to proportional meal rate (PMR) or full per diem rate for that day. Consistent with the Joint Travel Regulation, the OCONUS incidental rate of \$3.50/day applies when government quarters are available. No blanket approvals for missed meals or adjustments to PMR/full per diem are authorized without CV approval.
4. If a Commander or Director determines TDY personnel supporting their organization cannot use available DFACs for all three meals, they may request my approval for increased per diem. Organizations must prepare and submit the attached template with proper justification, actions taken to mitigate missed meals, and funding offsets to pay for increased per diem costs.
5. Direct any questions to Colonel George Tombe, HQ USAFE-AFAFRICA/FM, DSN 480-6054, george.tombe@us.af.mil.

MEMORANDUM FOR 3 AF/CC

FROM: 86 AW/CC
52 FW/CC

SUBJECT: Off-Installation Uniform Wear Approval Request

1. In accordance with 3 AF/CC Memorandum dated 25 June 2021, the 86th Airlift Wing and 52d Fighter Wing request approval of off-installation uniform wear for personnel assigned in Germany.
2. The 86 AW and 52 FW have recently convened Threat Working Groups on 15 July 2021 and 23 July 2021 respectively, where we carefully evaluated local conditions and determined off-installation uniform wear is low risk. These working groups will continue to meet monthly, or as warnings or indications change, to fuse and evaluate information from local intelligence units, Office of Special Investigations (OSI), Polizei partners, and other local area service components in order to monitor and evaluate the risk and potential changes to our posture.
3. To manage the risk to personnel, off-installation uniform wear will be authorized with the following guidelines:
 - a. Military uniforms (including Physical Training Gear (PTG)) may be worn during travel between domicile and official duty locations
 - b. Military uniforms may be worn to off-installation establishments such as restaurants and cafes, markets and shops, vehicle maintenance facilities, gas stations, drugstores, medical facilities, barbershops, and similar locations.

(1) EXCEPTION: Off-Base Uniform Wear within the city of Trier: Military uniforms are not authorized to be worn at any off-installation establishment within the city limits of Trier. Military uniforms including Physical Training Gear (PTG) may be worn only during travel between domicile and official duty locations within the city limits of Trier.
 - c. Military uniforms may be worn while accompanying or transporting children to and from off-post schools, bus stops, or extracurricular activities.
 - d. Uniforms are not authorized off-installation while in FPCON Charlie or Delta, or when directed by the installation commander.
 - e. Uniforms are not authorized at off-installation bars, night clubs, dance clubs, or hookah lounges. Personnel may not wear uniforms in off-installation establishments that primarily sell alcohol for consumption on the premises, nor are personnel authorized to consume alcohol in uniform or wear the uniform for activities that center on the consumption of alcohol.
4. Additional guidance is as follows
 - a. Authorization to wear uniforms during travel between domicile, duty locations, and at off-installation establishments is limited to the boundaries of the local commuting areas.
 - b. Approved transportation modes in uniform include, but are not limited to, POVs, taxis, motorcycle, and bicycles. Travel on public transportation (trains and buses), to and from airports, and all air travel will be conducted in civilian clothing.

c. Unit-organized off-installation events and activities will adhere to the established Antiterrorism Planning for Special and Off-Installation Events, outlined in the respective Antiterrorism and Force Protection Plans, DoDIO-2000.16V1, AFI 10-245-O Antiterrorism (AT) Program Implementation, and the USEUCOM AT OPORD 20-12.

d. Personnel and family members are encouraged to blend their off-duty clothing, vehicles, and residences to local environments. Avoid items of wear, luggage, or backpacks that convey DoD, Military, or USAF affiliation.

e. Personnel will report any adverse or exceedingly aggressive experiences while in uniform to their Chain-of-Command. Examples include, but are not limited to: local nationals using derogatory language or signals to uniformed service members; local nationals approaching uniformed service members and demanding to know why the U.S. military maintains a presence in Germany; any physical or verbal intimidation used by local nationals toward uniformed service members; any local nationals approaching uniformed service members requesting photographs or asking probing questions. Squadron Commanders and Unit Antiterrorism Representatives (ATR) will report incidents to the respective Wing Antiterrorism Office.

5. A review of this policy change will be conducted IAW the table below, or as threat dictates, and will include significant data such as incidents, threats, and indications of emerging threats to personnel:

FROM: 31 FW/CC

SUBJECT: Exception Request to Off-Installation Uniform Wear Policy

References: (a) United States European Command (USEUCOM), *Antiterrorism Operations Order* (ATOPORD) 20- 12, dated 21 December 20
(b) USAFE-AFAFRJCA GENADMIN, Off-Installation Uniform Wear, dated 27 June 2021

1. In accordance with 3 AF/CC Memorandum dated 25 Jun 2021 regarding off-installation uniform wear, I request approval for off-installation uniform wear for Aviano Air Base personnel.
2. Pursuant the guidance cited above, the TWG reviewed local threat conditions on 8 July 2021. The TWG concluded the overall threat level is LOW to MODERATE, with an environment generally favoring increased flexibility for service members and their families within the local community. However, discriminate targeting of military personnel by non-state actors or homegrown violent extremists remain a danger for which all personnel must remain alert. The TWG will reevaluate the threat associated with the off-base wear of uniforms on a quarterly basis or as needed based on established triggers.
3. The local TWG therefore recommends authorizing limited uniform¹ wear for military personnel² while off-base³. The wear of uniforms off base by members on duty will be permitted within a 25 kilometer radius of the member's residence for no more than 15 minutes and is limited to:
 - a. Refueling of privately operated vehicles
 - b. Pick-up of food-orders from dining establishments
 - c. Pick-up and drop-off of dependents to/from schools
4. The unpredictable nature of evolving threats requires individual safeguards to aggressively counteract criminal mischief or hostile acts of opportunity by bad actors. As such, all assigned, attached or transient personnel regardless of service at Aviano Air Base will actively participate in personal security measures, in and out of uniform, as recommended by our TWG and detailed threat mitigation measures.
5. For any questions or concerns please contact me at DSN: 632-7000.

MEMORANDUM FOR 3 AF/CC

FROM: USCR, UK

SUBJECT: Off-Installation Uniform Wear Approval Request

Reference (a): USEUCOM ANTITERRORISM OPERATIONS ORDER 20-12

1. In accordance with 3 AF/CC Memorandum dated 25 June 2021 regarding off-installation uniform wear, I request approval for off-installation uniform wear for United States Visiting Forces within the United Kingdom on the conditions set herein.

2. I have carefully evaluated our local conditions and determine that off-installation uniform wear in the local area is a MODERATE risk. This determination is based upon a 1 July 2021 joint threat working group (JTWG) convened by 48 SFS/ATO, with focus across the United Kingdom, which included Intelligence, Antiterrorism, Security Forces, and Office of Special Investigations representatives from the 48 FW, 501 CSW, and 100 ARW. The JTWG will continue to meet on a monthly basis, or as warnings or indications change, to reevaluate the risk and potential posture changes. Triggers for reevaluation may include, but are not limited to, increases in Force Protection Condition (FPCON), reports of deliberate targeting against US Forces, and malicious commentary or hateful acts against US Forces.

3. To manage the risk to our personnel, off-installation uniform wear will be authorized with restrictions. This policy is consistent with the Foreign Clearance Guide (FCG) and the United Kingdom's Ministry of Defence Uniform Dress and Appearance Regulations. I recommend the following provisions and restrictions:

3.1 Duty to domicile off-installation uniform wear is authorized within England, Scotland, and Wales.

3.2 IAW the FCG, uniform wear in Northern Ireland remains restricted. Unofficial uniform wear in the Greater London area is not authorized unless meeting the criteria listed in paragraph 3.3.

3.3 Wing commanders may authorize the wear of uniforms when members are executing operations, training, host nation events, and exercises, to include any Honor Guard details.

3.4 Uniform wear shall be limited to convenience stops, not to exceed 15 minutes, along the duty to domicile route, (e.g. a stop to collect a meal, refueling of a privately operated vehicle, purchase small items at retail establishments off-duty, picking dependents up from day/child care, short walks or bike rides between bases, etc).

Readiness, Presence, Relationships

3.5 Uniform wear is not authorized at establishments that serve alcohol, or while consuming alcoholic beverages off-base unless approved for official functions IAW para 3.3.

3.6 This policy, in conjunction with the FCG, will apply across England, Scotland, and Wales for all uniformed members of the US Force, except those who fall under the responsibility of the Chief of Mission for force protection.

3.7 Exceptions to this policy must have Antiterrorism office coordination and approval from the 3 AF/CC.

3.8 This policy and its underlying provisions are subject to change.

4. Upon your approval, a policy memo outlining off-installation uniform wear will be issued to all installation commanders in the United Kingdom.

5. My point of contact for this request is Lt Col Joseph Merrill, USAFE UK HNCC/IR at joseph.merrill@us.af.mil or DSN 314-238-6369; or MSgt Cameron Wright, at cameron.wright@us.af.mil or DSN 314-238-3621.

MEMORANDUM OF AGREEMENT EXCEPTION TO POLICY FOR USAFE-AFRAFICA USE OF DEFENSE TRAVEL SYSTEM (DTS) OUTSIDE OF AROWS-R

Summary: This ETP is limited to the TDY travel of Air Force Reserve members augmenting the HQ USAFE-AFRAFICA staff while on Active Duty (MPA) orders. AROWS-R is the system of record for placing members into a military duty status via Request and Authorization for Active Duty Training/Active Duty Tour (AF Form 938).

1. Responsibilities of USAFE-AFRAFICA to ensure Reserve member's pay and travel entitlements are managed appropriately:

- a. Ensure the Reserve member is on active duty status via AF Form 938 when authorizing travel. The DTS travel authorization TDY start and end dates shall fall within the duty start and end dates indicated.
- b. Ensure the AF Form 938 shows the Reserve member within the corporate city limits of the duty assignment, or an appropriate location determined by USAFE-AFRAFICA. The first leg/last leg of the DTS travel authorization should include travel "from/return to" the member's home/duty station.
- c. Ensure any TDY locations that could affect the Reserve member's military pay entitlements such as Combat Zone Tax Exclusion, Imminent Danger Pay or Hazardous Duty Pay, are reported to the member's servicing Reserve Pay Office, to ensure all pay records accurately reflect entitlements. Include supporting documentation that shows travel location (ref: AFMAN 65-116V3, and GAO Title 7, Section 6.28 and 31 USC 1501).
- d. Ensure appropriate CED/NATO orders, if required, are drafted prior to travel. NOTE: This ETP does not authorize Reservists to deploy via DTS (e.g., If the Reservist needs to out-process via the "deployment line", do not use DTS). The authority applies ONLY to routine, short duration TDYs.

- e. To ensure integrity of the Travel Systems (DTS & RTS), the member must file their travel voucher within 5 days of concluding travel to avoid dual compensation claims and/or indebtedness, while using this ETP. The internal controls of AROWS-R will be in effect when using this ETP.
 - f. Ensure all M4S taskings (steady state or European Defense Initiative funding) utilizing this ETP include the following under the Tour Remarks: "AFRC approved a USAFE-AFRAFICA ETP (5 Sep 19) to utilize DTS for routine TOY travel during this member's period of Active Duty. DTS will be used to generate the member's DD Form 1610."
 - g. Ensure a USAFE-AFRAFICA line of accounting is utilized for the member's DTS voucher. The member's Active Duty DTS profile shall, upon request, be released by the member's home unit and shall be gained by the appropriate USAFE-AFRAFICA organization.
 - h. Provide documentation to AFRC/FM upon request to ensure the above requirements are being met in the best interest of Reserve Airmen, and that internal controls are being properly managed.
 - i. Any future Active Duty pay systems that replace DTS will fall under the auspices of this memorandum.
- #### 2. Responsibilities of USAFE-AFRAFICA to ensure Reserve member participation and Accountability are managed appropriately:
- a. Maintain accountability of reservists while in status, to include dates and locations of further travel. Be prepared to provide this information to AFRC upon request (e.g., natural disaster, emergency response, or mobilization).
 - b. Provide documentation and/or datato HQ AFRC/AIRR upon request to ensure personnel accountability requirements are being met in the best interest of the Reserve. For questions regarding personnel accountability, the POC is HQ AFRC/AIRR, DSN 497-1261.

Attachment 8: SOFA Status

SOFA is defined as a treaty that sets out the terms under which the members of the force and the civilian component of a foreign NATO-member state are allowed to operate in another NATO state. The SOFA certificate identified the bearer as a person who is entitled to unrestricted entry/exit from Germany and to benefits, privileges, and protection under the NATO SOFA and the German supplementary Agreement. Benefits include exemption from registration requirements with the Germany authorities, paying German income tax, the ability to purchase certain goods tax-free, to include vehicles. It's the service member's responsibility to obey German laws, carry military ID card 24/7, and if applicable, registering vehicles with USAREUR and having SOFA certificate in dependent passports to validate residence in Germany. If caught without SOFA status, violators could face fines and/or deportation.

SOFA stamps are required for DoD civilians, DoD sponsored contractors & family members, and military dependents accompanying service members. Local nationals (German) or foreign employees from countries that are not members of NATO are not entitled to SOFA status. Citizens or nationals traveling on passports from a country that requires a visa for Germany must obtain a SOFA certificate from the Regional Director, IMCOM Europe G-1, prior to arrival in Germany. American citizens and foreign nationals from countries not requiring a visa for Germany may enter without a SOFA certificate if unable to obtain one prior to departure.

Practice the Rule of Three! Eligible individuals should always carry a valid and unexpired DoD ID card, passport(s), and SOFA certificate when traveling.
