A MESSAGE FROM YOUR HQ RIO CAREER ASSISTANCE ADVISOR

Did you know you need to pay close attention to your ETS (Expiration Term of Service)? Especially if you are coming direct from RegAF (Palace Chase or Palace Front) and did not immediately reenlist with your Recruiter.

Why is this important? Your ETS can come up on you fast. You MUST act prior to your ETS date or you may find yourself being ETS discharged from the Air Force.

Do you have what you need to reenlist in the Air Force Reserve?

1. You need to complete your SRP (Selective Reenlistment Program)
 - a. This is sent by your Detachment to your RegAF URC or Supervisor and it must be signed by your RegAF Commander recommending you to reenlist.
2. You need to complete a DD4 Enlistment/Reenlistment form and have your oath administered by an officer (current or retired)
 - a. The reenlistment ceremony is authorized to be done virtually, please contact your HQ RIO Career Assistance Advisor for details.
3. You need to complete your Article 137 Brief.
 - a. Now online! Log into myLearning and type "Article 137" in the search box and complete the slide show. Save your certificate as it may be asked for later by your RegAF unit.

Did you know that under certain circumstances, you can extend your current enlistment? Please contact your HQ RIO Career Assistance Advisor for more information on extension of enlistment or review AFI36-2606 for Reenlistments and Extension guidance.

I truly value your commitment to service. I want to make sure you have the knowledge and tools that will ensure your continued service to RIO and the Air Force! If you have any questions regarding your ETS or how the reenlistment/extension process works, please contact me and I will walk you through the whole process. As always, please work with your Detachment for details on submitting your reenlistment or extension paperwork.
